

Shunya (Zero) Labelling Programme for Net Zero and Net Positive Energy Buildings

1. **SCOPE:**

The programme targets the Net Zero Energy Buildings (NZEB) and Net Positive Energy Buildings (NPEB).

2. **TERMINOLOGY:**

- a) **Government Buildings:** The buildings owned/ managed by Central/State Govt. or Statutory Body or Indian Railways etc. **OR** any building used or required for the public service or for any public purpose, which is the property, or in the occupation, of the Central/State Government, or which is to be erected on land which is the property, or in the occupation, of the Central/State Government.
- b) **Net Zero Energy Buildings (NZEB):** A net-zero energy building is one that relies on renewable sources to produce as much energy as it uses, usually as measured over the course of a year.
- c) **Net Positive Energy Buildings (NPEB):** A net-positive energy building is one that relies on renewable sources to produce as much energy as it uses and supplies excess generated electricity to grid, usually as measured over the course of a year.
- d) **User of label:** The owner of building or authorised representative who applies for the 'Shunya' Labelling of his premise/s. The authorised representative must be a person employed with the organisation which owns/manage the building. Any other firm/third party/outside person will not be entertained for the application/renewal process. The building owner has to submit the contact details of the authorised representative and all the correspondences will be sent to that person only. In case the authorised representative/contact person is changed it would be the responsibility of the owner to inform the BEE about the change and to provide updated contact details.
- e) **Energy Performance Index (EPI):** Electricity purchased & generated divided by built up area in m². However, the total electricity would not include electricity generated from on-site renewable sources such as solar photovoltaic etc.

It is calculated as:

$$\frac{[\text{Electricity purchased and generated (excl. generated from on-site RE resources)]} \div [\text{Built Up Area excluding Basement parking, lawn, roads, etc. (in m}^2\text{.)}]$$

Energy Performance Index (EPI) in kWh/m²/year will be considered for rating the building.

- f) **IAME:** It is an abbreviation for Independent Agency for Monitoring and Evaluation. The Bureau will appoint an independent agency to evaluate the program impact and process of application on periodic basis.

3. **SCHEME PARTICIPATION PROCESS:**

- i. To apply for 'Shunya' Labelling, a standardized format is developed for collection of actual energy consumption. Data required includes building's built-up area, conditioned and non-conditioned area, type of building, hours of operation of the building in a day, climatic zone in which building is located, and other related information of the facility. The format for application and submitting Building Information and Energy Data details is enclosed as **Annexure-A** and **Annexure-I** respectively.
- ii. Building owner can register for each building either manually or electronically. Initially the applications would be scrutinized on manual submission. The application for each building shall be accompanied by the non - refundable registration fees. The fees can be submitted either electronically (print of the receipt would be required to be sent with application) or in the form of a crossed bank draft issued in the name of Bureau of Energy Efficiency payable at New Delhi. The fees structure for registration and renewal is provided in **Section-5**.
- iii. Building owner(s)/ or their authorized representatives will enter into an agreement (as **Annexure-B**) on a non-judicial stamp paper worth Rs.100/- (rupees one hundred only), with the Bureau of Energy Efficiency (hereinafter called the Bureau) agreeing to abide by the terms and conditions of the scheme. The agreement will be valid for a period of three years from the date of issuance of the certificate for 'Shunya' Labelling.
- iv. After receiving the complete application for the building, the Bureau would scrutinize the application, and seek further information, if require. The Bureau would authorize the use of label after completion of the scrutiny of the application. The Bureau will have the right to conduct an energy audit or any other form of assessment regarding the information provided by the builder whenever there are grounds for the same.

4. **RENEWAL PROCESS:** For renewal of the 'Shunya' Labelling, the applicant has to apply for renewal within six months from the date of expiry of validity period (i.e., three years from issuance of Certificate). All the documents as required for registration has to be submitted with latest data/information. Fees for renewal is given in **Section-5**.

After submitting the documents and requisite fees, BEE will verify the data and after the assessment, appropriate certificate and plaque will be issued.

Note: If the owner fails to apply within three months from date of expiry of the existing 'Shunya' Labelling validity period (i.e., three years from issuance of Certificate) the application will be considered as new application and registration fees for new application will be applicable.

5. FEES

| Registration Fees | |
|---|--------------------|
| New/Fresh Application | Rs. 1 Lakh/project |
| Renewal (with upgradation) or only upgradation (on request of building owner before expiry of validity period) | |
| For other Buildings | Rs. 25 Thousands |
| Renewal (without upgradation) or Downgrading | |
| For other Buildings | Rs. 10 Thousands |

6. EPI TABLE FOR SHUNYA LABELLING:

| Shunya Label (For Net Zero Energy Buildings) | Shunya+ Label (For Net Positive Energy Buildings) |
|---|--|
| $10 \leq \text{EPI} \leq 0 \text{ kWh/m}^2/\text{year}$ | $\text{EPI} < 0 \text{ kWh/m}^2/\text{year}$ |

7. **SHUNYA LABEL/PLAQUE:** The renewal/registration fees will consist cost of ONE plaque, however, the building owner can request for duplicate plaques by paying Rs.5000 per plaque additionally. Design and colour scheme of the plaque is at **Annexure-II**.

8. ADHERENCE TO LABEL/PLAQUE SPECIFICATION:

- i. The user of label is solely responsible for the adherence to the specification of the label prescribed by BEE and the authenticity of the documents submitted. However, in case of a new building, the building owner(s)/ or their authorized representatives would be required to submit the detailed information in respect of the building and its energy performance after completion of 1 year of operation with full occupancy of the building.
- ii. Building owner shall be given a time frame of one month after the expiry of each year to file the Building Information and Energy Data for the previous year, failing which BEE shall inform the owner of the lapse and after the expiry of the notice period of one month, the label shall be withdrawn temporarily and owner shall be requested to furnish the information. The entire communication shall take place for a maximum period of six months failing which the label shall be permanently withdrawn for the building and information shall be displayed on BEE's website and in public domain.
- iii. The user of label shall be solely responsible for ensuring:
 - a) the accuracy of the information displayed on the label or any public claim for label level
 - b) compliance to the terms and condition of the scheme,
 - c) directions of the Bureau on the implementation of the scheme
 - d) payment of any compensation adjudicated by any court/tribunal to any person for any information displayed on the label.

9. LABEL VERIFICATION PROCESS:

- i. The Bureau through its authorized representatives would verify the label content and the manner of display on the building.
- ii. The Bureau may conduct sample verification of building for accuracy of the information provided by the building owner and the EPI either on its own or through a third party. This sample may be conducted without prior notice. The results of the sample check may be put in the public domain, if required.
- iii. The user of the label would agree to make available the drawings of the building/facility and provide access to the building to the authorized representative of the Bureau.
- iv. If it is noticed that the building does not conform to the authorized label specification then a second verification will be done with an authorized representative of the building owner. The date and time for the second check will be decided by the Bureau and the Building owner will be informed at least 48 hours in advance and if no representative is present then the second check results will be binding on the building owner.

Application Form for Participation and Agreement*(ON THE LETTER HEAD OF THE COMPANY/FIRM)*

The Director General
 Bureau of Energy Efficiency
 4th Floor, Sewa Bhawan,
 R. K. Puram, New Delhi-66

Subject: Application for Participation in the BEE Shunya Labelling Programme

I/We are the building owner(s)/authorized representative of (building name and address) owned by (full name of developer/ firm) hereby apply for participation in the scheme "BEE Shunya Labelling Programme".

I/We have gone through the scheme for **the BEE Shunya Labelling Programme**, and we agree to abide by the terms and conditions of the scheme. I/We am/are willing to enter into an agreement for participating in the scheme. The duly signed complete agreement is enclosed.

AGREEMENT

(To be printed on non-judicial stamp paper worth Rs.100/- (rupees one hundred only))

Agreement between the Bureau of Energy Efficiency, a statutory body under the Ministry of Power and Building owner(s)/authorized representative under the “Shunya Labelling Programme”.

Whereas the Bureau of Energy Efficiency, Ministry of Power (hereinafter referred to as the Bureau), a statutory body established under the Energy Conservation Act 2001, (52 of 2001) with its office at Bureau of Energy Efficiency 4th Floor, Sewa Bhawan, R. K. Puram, New Delhi-66, Whereas M/s (Building owner(s)/authorized representative Name) having its registered office at (full address) has agreed to participate under the “**Shunya Labelling Programme**” (hereinafter referred to as the user of label)

Now therefore, the parties hereto mutually agree as follows:

1. General**1.1 Commencement and duration**

1.1.1 The agreement shall be valid for a period of three years commencing from the date it is signed or until Notification under the Energy Conservation Act 2001 issued by the Central Government, whichever is earlier.

1.2 Objective

The main objective of this Agreement is that both the parties to the Agreement shall work together to implement the scheme for “**Shunya Labelling Programme**” in accordance with the details of the Scheme as attached.

1.3 Use of Shunya label

1.3.1 The label is being promoted by the Bureau. The use of the label is assigned to M/s (Building owner(s)/authorized representative Name) for achieving the objective defined in Article 1.2 of this Agreement.

1.3.2 Format for submitting Building Information and Energy Data details is enclosed as **Annexure-I**. Energy Performance Index (EPI) in kWh /m²/ year will be considered in rating the buildings.

1.3.2 The user of label is solely responsible for the adherence to the specification of the label prescribed by BEE (as enclosed at **Annexure II**), and the authenticity of the documents submitted.

2. Taxes and duties

2.1 The User of label shall also bear any taxes, duties, levies, registration fee, etc as applicable from time to time in the use of label under the implementation of the scheme for “**Shunya Labelling Programme**”.

3. Amendment / Additions

3.1 If both parties to the Agreement form an opinion that any or some provision of the scheme are coming in the way of achievement of the objective of this Agreement defined in Article 1.2; and both BEE and the user of label are satisfied that the adjustment or amendment of such provisions shall contribute towards the achievement of the objective defined in Article 1.2; BEE may, adjust or amend such provisions of the scheme at any stage during the implementation of the scheme in consultation with other stakeholders

3.2 Any such adjustment or amendment shall be made in writing.

4. Notice

4.1 Any notice given by any of the parties hereunder shall be sent in writing at the address given as follows:

(1) Bureau of Energy Efficiency

The Director General
Bureau of Energy Efficiency
4th Floor, Sewa Bhawan,
R. K. Puram
New Delhi-66

(2) User of label
